# Volunteer Liability Release

*(Please read and initial each paragraph.)*

	I am informed and understand that the GCC cares for and houses wild animals upon its property that are unpredictable and dangerous. These animals may also harbor harmful diseases that can be transmitted to humans.
	I am informed and understand that I may place my person and property in danger by visiting the GCC.
	Knowing these risks, I voluntarily accept them and agree to assume any and all risks of injury or death as a result of visiting or volunteering at the GCC.
	While I am on the GCC property, I release, waive, and discharge the GCC, its owners, agents, volunteers, or employees (“Releasees”) from any liability to me for any loss or damage resulting from personal or property injury, including death, whether caused by Releasees’ negligence or otherwise; I further agree not to sue for any such liability.
	I agree to indemnify and hold harmless Releasees from any loss, liability, damage, or cost Releasees may incur due to my presence at the GCC property or in any way observing or using any the GCC facilities or equipment, whether caused by Releasees’ negligence or otherwise.
	I further expressly agree that the foregoing release, waiver, and indemnity agreement is intended to be as broad and inclusive as is permitted by the law of the State of California and that if any portion is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect.

The GCC will take all such steps and/or actions as in its sole discretion are appropriate and reasonable under the circumstances of such a wild animal refuge, to prevent injury and /or harm to any volunteer at the facilities and or while engaged in the activities of and on behalf of the facility and will take such steps in the case of a medical and/or injury-related emergency to get and/or obtain such care and /or medical treatment as may be reasonably necessary in its sole discretion under the circumstances.

By initialing and/or signing these provisions and agreement, I indicate that I have carefully read and fully understand its contents. I sign this document of my own free will and I have had the opportunity to ask questions concerning the meaning of the document, its provisions and the dangers involved in visiting or volunteering for the GCC. Any such questions I may have had have been answered to my satisfaction.
